

MARATHON ERYRI 2026 - CYNGOR I WYLWYR

Scroll down for English

Rydym yn hoffi annog gwylwyr ar hyd y llwybr i gefnogi ein rhedwyr. Fodd bynnag, gall daearyddiaeth y cwrs ei hun wneud hyn yn anodd iawn. Os ydych chi'n bwriadu gwyllo'r ras, gwnewch yn siŵr eich bod chi yn eich lleoliad mewn digon o amser a cheisiwch osgoi gyrru ar y cwrs pan fyddwch chi'n debygol o ddod ar draws nifer fawr o redwyr.

Wrth gynllunio'ch man gwyllo, mae'n werth cofio y bydd Bwlch Llanberis ar gau o 09:30am tan hanner dydd (mae'n gau treigl yn dilyn y rhedwr olaf), bydd system unffordd ar waith rhwng 10:45am ac 1pm yn mynd o faes parcio Llwybr Watkin hyd at gyffordd Pen-y-gwryd.

Bydd system unffordd ar waith o Faes Parcio Llwybr Watkin ar hyd yr A498 i gyffordd Pen-y-gwryd. Bydd hyn ar waith rhwng 10:45 ac 1 pm ar ddiwrnod y ras.

Bydd yr A498 drwy bentref Beddgelert AR GAU rhwng 11:15 a 2 pm, os ydych chi'n bwriadu cefnogi rhedwyr yn y pentref hwnnw, bydd angen i chi fod yno cyn 11:15. Os ydych chi am gyrraedd yn ôl i'r Gorffeniad cyn i'r ffordd agor eto, parciwch ym maes parcio'r Parc Cenedlaethol (dros y bont) a byddwch chi'n gallu cyrraedd yn ôl i Lanberis drwy Borthmadog.

Gellir dod o hyd i restr lawn o'r ffyrdd sydd ar gau ar ein gwefan

Mae nifer o gaffis a thafarndai o amgylch y llwybr a allai fod yn lleoliadau da i wylwyr. Os ydych chi'n mynd i Ryd Ddu neu Waunfawr, bydd angen i chi yrru i'r cyfeiriad arall o amgylch y cwrs yn hytrach na dilyn y rhedwyr.

MARATHON ERYI 2026 – ADVICE FOR SPECTATORS

We like to encourage spectators along the route to cheer on our runners. However, the mere geography of the course can make this very difficult. If you are planning to watch the race, please make sure to be at your location in plenty of time and try to avoid driving on the course when you are likely to encounter large numbers of runners.

When planning your vantage point, it is worth remembering that the Llanberis Pass will be closed from 09:30am until midday (it is a rolling closure following the last runner), there will be a one-way system in place between 10:45am and 1pm going from the Watkin Path car park up to the Pen-y-gwryd junction.

A one-way system will be in place from the Watkin Path Car Park along the A498 to the Pen-y-gwryd junction. This will be in place between 10:45 and 1 pm on race day

The A498 through Beddgelert village will be CLOSED between 11:15 and 2 pm, if you are planning to support runners in that village, you will need to be there before 11:15. If you want to get back to the Finish before the road opens again, park in the National Park car park (over the bridge) and you will be able to get back to Llanberis via Porthmadog.

A full list of road closures can be found on our website

There are a number of cafes and pubs around the route that might be good spectator locations. If you are heading to Rhyd Ddu or Waunfawr, you will need to drive the opposite way around the course rather than following the runners.

For those of you planning to stay in Llanberis to wait for the finishers, you will find plenty to do. Try the village website for ideas <http://www.llanberis.org>

We don't encourage people to follow the race on bikes. The added traffic can cause problems. We have a number of official support cyclists and they will have special high vis jackets on so will be easily identifiable.
